- I have worked in the industry for 14 years and have extensive experience working in media destined for broadcast, corporate and online, adapting to all different shooting styles from documentary and reality to studio and location drama.
- I can work across all different formats and lenses and manage workflow. I can also manage sound when budget or situation demands.
- I have extensive experience of worldwide travel.
- I work in a highly professional way and consider myself to have a pleasant and respectful attitude, which has allowed me to work within sensitive situations and with many high profile people.
- Full Clean UK Driving Licence (car and motorcycle)
- US IVisa
- Basic Off Shore Safety Induction and Emergency Training including EBS (For work on oil rigs)
- Owner operator on EX3
